

## **PRIVACY POLICY INFORMATION**

Effective July 1, 2004, all state agencies and local government entities are required by Act 1713 of 2003 to provide standardized machine readable privacy policies on their websites in addition to human readable versions. This requirement is commonly referred to as P3P which stands for the "Platform for Privacy Preferences Project". These privacy policies are automatically interpreted by internet browsers to compare with a visitor's personal set of security preferences. This allows a visitor to decide what private information will be recorded or saved by a particular website.

The following information outlines the policy that has been adopted by the office of the Pulaski County Circuit/County Clerk.

### **Web Statistics Only Policy**

Only click-stream data, HTTP protocol elements and search terms will be recorded. This data will be used for completion and support of the current activity, website and system administration, and research and development. Cookies are not used.

### **EXTERNAL LINKS**

Visitors to external websites are advised to check the privacy statements of those sites and be cautious about providing personally identifiable information without a clear understanding of how the information will be used. The Pulaski County Circuit/County Clerk's office is not responsible for the content of those websites. Links to nongovernmental sites are provided as informational resources only. A link from the Clerk's office website does not constitute or imply endorsement, recommendation, or favoring of any specific commercial product, viewpoint, or service referenced on those external websites.
